Planning correspondence to S C F Miles,

20th June 2017

Dear Sir,

Location 24 Mead Crescent Bookham Surrey KT233DU
Development Erect single storey side and rear extension following demolition of carport and garage
Planning Ref MO/2017/0744

The Bookhams Residents Association is concerned regarding this application which reduces on-site parking by 2 units.

Based on current policies this 4 bedroom house requires 3 parking places which the applicant confirms is available on the drive but plans do not show such established standings and associated access and turning. It is requested therefore that associated with any Decision there should be a Condition registered that the parking spaces are established and defined with access and shown on the plan of the application .

Yours faithfully,

S C F Miles
